

**Your input is needed!**

The Village of Libertyville is developing a Parks Master Plan and seeks input from Libertyville residents and their participation in our community workshop on March 15.

The ideas and suggestions from Libertyville residents is an important part of the current and long-term vision for Libertyville parks and recreation facilities. Your feedback is an integral part of the development of a parks master plan for the Village.

# **Village of Libertyville Parks Master Plan Community “Workshop” Meeting**

**Thursday March 15, 2018**

**7:00 pm**

**Crawford House at Butler Lake Park  
817 W. Lake Street**
